Construction begins today on ND Hwy 3 south of Napoleon

Construction will begin today on a ten mile stretch of ND Hwy 3 from the west junction of ND Hwy 13 north to the Burnstad Junction (approximately 7 miles south of Napoleon).

During Construction

- Speed limit reduced to 45 mph through the construction zone
- Flaggers and pilot cars will be present control traffic
- Motorists should expect short delays through the construction zone

The project is scheduled to be completed in October.
